

Application for a Possession Licence Under the *Firearms Act* (Minors) Information Sheet

Ce formulaire est disponible en français.

Before you start...

For the purposes of the *Firearms Act*, a minor is an individual less than eighteen (18) years old.

This form is for use by resident and non-resident minors:

- who are at least 12 years of age but have not yet had their 18th birthday,
- who are under 12 years of age and hunt or trap to sustain themselves or their family, or
- who are applying under the *Aboriginal Peoples of Canada Adaptations Regulations (Firearms)* for a licence to possess non-restricted firearms.

A minor cannot hold a licence to possess prohibited or restricted firearms or to acquire any kind of firearm.

Minors must have the consent of a parent or legal guardian to be eligible for a firearms licence.

To be eligible for a minor's firearms licence, you must have taken and passed the Canadian Firearms Safety Course. Exceptions do exist (see Section E for further information).

You may be required to attend an interview with your parent or guardian present. The chief firearms officer of your province or territory will contact you.

If you need additional space, list all information requested on a separate sheet of paper, add your name to the top of each sheet and attach the sheet to your application.

If you need help completing this application form or require another form, call 1 800 731-4000. Additional information and some application forms are also available on our Web site at www.rcmp-grc.gc.ca/cfp.
